Library Committee

The committee resolved to implement the following;

1. Compete automation of Library.
2. Augmentation of learning resources based on the feedback.

Research Committee

The Committee recommends to facilitate learning resources, academic journals and inviting academicians to deliver special lectures. The Committee also encourages faculty members to publish research articles and publish books with ISBN.

NSS Advisory Committee

The committee recommends to identify some of the villages to implement government schemes and bring them to the main stream. Committee also resolved to adopt the village for specific tenure till the completion of the various activities.

Through the various committees, with the active involvement of college IQAC, the college has implemented and conducted various activities based on the Minutes of Meeting of different committees.
